

The background of the slide is a deep space scene. It features a dark blue and black sky filled with numerous stars of varying colors and sizes. A prominent feature is a bright, multi-colored nebula or galaxy structure in the upper left quadrant. On the right side, a large, reddish-brown planet, likely Mars, is partially visible, showing its characteristic surface features. In the center, a smaller, pale, hazy planet or moon is visible. The overall lighting is soft, highlighting the celestial bodies against the dark void of space.

Quality Systems

- AS9100D/ISO9001 **Compliant** (Certified from 2015-2019 Cert #0039330-02)

Skills & Processes

- Turnkey manufacturing and assembly including coatings and heat treatment
- Precision 3 axis, 4 axis, and 5 axis simultaneous Milling up to 30 inches in length
- Precision Turning
- Tolerances holding capabilities as small as .0001 of an inch.
- AS9100D Compliant quality management system.

Skills & Processes (Cont.)

- Machining of metal and plastic such as Titanium, Hastelloy, Inconel, poly propylene homopolymer, peek, Stainless and more.
- CAD/Modeling Consulting services

Customers

- Daco Technologies Inc. (Strategic Partnership)
- KBR Wylie FKA Stinger Ghaffarian Technologies
(via strategic partnership above)
- Agar Corporation
- YULISTA
- DynCorp
- Active Camo
