New SBIR/STTR Program Executive

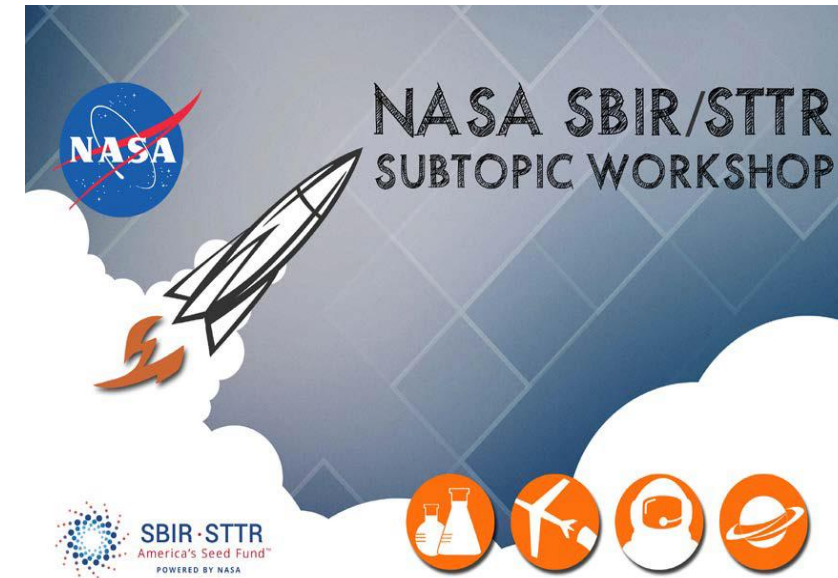

Jenn Gustetic
Program Executive
SBIR/STTR

SBIR/STTR Subtopic Workshop

- Held Sept 12-13, at Ames Research Center
- Primary purpose of this workshop
 - Inform and help the development of the FY18 SBIR/STTR solicitation
 - Opportunity to receive general overview of NASA SBIR/STTR programs
 - Interact with program experts, Mission Directorate Reps, NASA Technologists
 - Learn about, ask questions, and provide feedback on draft related subtopic areas
 - Build NASA's relationship with the small business community
 - Increase communication between NASA and potential proposers

- **NASA SBIR/STTR website: sbir.nasa.gov**
 - Solicitations
 - Resources
 - **TechSource:** Information on NASA's SBIR/STTR Phase I and II awarded projects.
- **SBA Regional SBIR Conference**
10/05 - 10/06 - Boston, MA
