Standardize Source Selection Process

- **Focus source selection teams on efficiency and process**
 - **PSSO established source selection “desktop” for each source selection team**
 - **Manage desktop for each source selection team throughout process**
 - **Desktop organized into 3 phases:**
 - **Phase 1: Acquisition Planning**
 - **Phase 2: Solicitation Development**
 - **Phase 3: Solicitation and Award**
 - **PSSO developed and maintains e-tools to facilitate internal/external reviews**
 - **Templates**
 - **Tools**
 - **Guides**
 - **Schedules**
 - **Electronic reviews**

PSSO “Under Construction”

- **Use of “virtual” Industry Day**
- **Automating RFP industry comments**
- **Eliminating paper proposals**
- **Linking regs/templates/tools/guidance**
- **Streamlining source selections**
