

September 2015

2015 – 2016 Council Leadership

- Chair, Patty Pierson – United Launch Alliance
- Vice Chair, Ron Belz – Jacobs Engineering
- Secretary, Carol Rice – Aerojet Rocketdyne
- Events Coordinator, Debbie Batson – Teledyne Brown Engineering

MPCSC Mission & Vision

- To strengthen supplier diversity across all NASA prime contracts with maximum subcontracting opportunities. Share lessons learned, best practices and supplier resources among all council members through regularly scheduled meetings and participation at networking event.
- The vision of the MPCSC is to create an environment to promote best practices among MSFC prime contractors, ultimately strengthening the industrial base, promoting diversity and enhancing aerospace research and development.

MPCSC Activities

- Support MSFC & NASA Events
 - SB Alliance Events
 - Bi-Monthly MPCSC Meetings
 - Semi Annual Offsite Meetings
 - SLS Industry Days
 - NASA Industry Day Events – SDVOSB, WOSB & HUBZone. HBCU/MSI Partnerships Meeting
 - Joint Counseling sessions with Small Businesses - participate & host

MPCSC Focus in 2015

- Continued support of MSFC & NASA Events
- Ensuring Value Added topics at meetings
- Sharing of best practices to strengthen our own Supplier Diversity Programs
- Develop method to easily communicate top performing SB suppliers
- Awareness of legislative updates to ensure compliance with laws and regulations and support customer
