

the catalyst

center for business
& entrepreneurship

Six Focus Areas

Startups & Entrepreneurs

Established Businesses

Veterans

Women

Government Contractors

Innovation & Technology Businesses

Three Major Projects

The mission of the Women's Business Center is to help women start and grow small businesses.

The mission of TechRich is to find, filter, and facilitate business opportunities by fueling collaboration, innovation, technology transfer, commercialization, and contracting opportunities among technology businesses.

The mission of NASCENT is to deliver services and training to help rural small businesses start and succeed.

HUBZone Accelerator

a project of **the catalyst**

The mission of the HUBZone Accelerator is to promote strong HUBZone businesses by providing **tools** for small business success; a **platform** for inspirational HUBZone initiatives; and **connections** between HUBZone companies and Federal Agencies/Large Businesses.
