WORKING TOGETHER TO ACHIEVE
JOINT STRATEGIES AND
OBJECTIVES

MPCSC Mission & Vision

- Mission - Strengthen supplier diversity across all NASA prime contracts to maximize subcontracting opportunities. Share lessons learned, best practices and supplier resources among all council members through regularly scheduled meetings and participation at networking events.
- Vision – Create an environment that promotes best practices among MSFC prime contractors, ultimately strengthening the industrial base, promoting diversity and enhancing aerospace research and development.

MPCSC Activities

- Support MSFC & NASA Events
 - SB Alliance Events
 - Bi-Monthly MPCSC Meetings
 - Semi Annual Offsite Meetings
 - Business Forums – regional events
 - NASA Industry Day Events – SDVOSB, WOSB & HUBZone; HBCU/MSI Road Tours
 - Joint Counseling sessions with Small Businesses - participate & host

MPCSC Focus in 2017

- Continued support of MSFC & NASA Events
- Ensuring Value Added topics at meetings
- Sharing of best practices to strengthen our own Supplier Diversity Programs
- Develop method to easily communicate top performing SB suppliers
- Awareness of legislative updates to ensure compliance with laws and regulations and support customer
