NASA Field and Satellite Centers

NASA/MSFC SMA ↔ SBET

NASA Marshall Space Flight Center (MSFC) Safety and Mission Assurance (SMA) Directorate Supports the Small Business Executive Team (SBET) through professional expertise in the safety, reliability and maintainability, and quality assurance disciplines.

NASA/MSFC SMA ↔ SBET

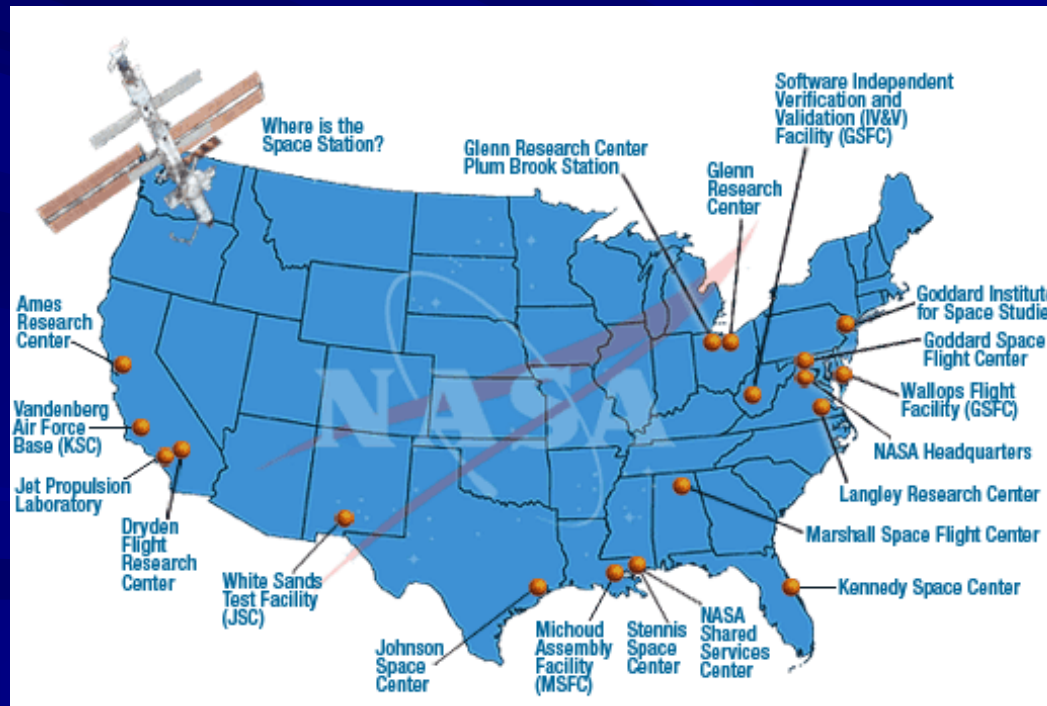

Safety	Performs function in a safe manor
Reliability and;	Repeatedly performs its function
Maintainability	Can be fixed and/or repaired
Quality Assurance	Does what it is supposed to do

NASA/MSFC SMA ↔ SBET

In addition, the MSFC SMA POC has contacts and networks with nearly all NASA center's SMA POCs

NASA/MSFC SMA ↔ SBET

Not just with MSFC, but possibly with our contractor.

**Offer a “foot in the door” with you and a NASA Center,
not just MSFC.**
