

A cosmic background featuring a dark blue and black space filled with numerous stars of varying colors (blue, white, yellow). A prominent blue and purple nebula or galaxy structure is visible in the upper left and center. On the right side, a large, reddish-brown planet, likely Mars, is partially visible, showing its textured surface and atmosphere. The overall scene is a deep space view.

MSFC SMALL BUSINESS PROGRAM UPDATE

September 20, 2017

MSFC FY 2018 Focus

- Increase goal performance against the Center's WOSB, SDVO SB, and HUBZone SB goals
- Place greater emphasis on prime contractor small business subcontracting goal performance
- Increase collaboration between the MSFC SB Office and large business prime contractor leadership teams through planned visits, telecons, etc. to heighten awareness of the NASA subcontracting program
- Develop an outreach plan designed to target local communities within a 30 to 60 mile radius of MSFC
- Conduct several center-specific mini outreach events showcasing HUBZone, women-owned, and service disabled veteran-owned small businesses
- Work closely with organizational leadership teams to promote the goals and objectives of the NASA SB Program, and to identify new procurement opportunities for SB participation
- Increase collaboration between the MSFC SB Office and large business prime contractor contract specific leadership teams through planned visits, telecons, etc. to heighten awareness of the NASA subcontracting program, and to gain additional support of the NASA Mentor Protégé Program
