- Safety instructions in case of an emergency
- Housekeeping
  - Breaks and snacks will be provided throughout each day
  - Please sign-in if you haven't already done so and retrieve your name tag
  - Please give your lunch money to Katie. Cost is \$17 each day
  - Please remove your belongings at the end of the day
- Introductions

# MPCSC Mission & Vision

- Mission - Strengthen supplier diversity across all NASA prime contracts to maximize subcontracting opportunities. Share lessons learned, best practices and supplier resources among all council members through regularly scheduled meetings and participation at networking events.
- Vision – Create an environment that promotes best practices among MSFC prime contractors, ultimately strengthening the industrial base, promoting diversity and enhancing aerospace research and development.

# Marshall Prime Contractors Supplier Council Involvement

- **NASA Industry Forum (NIF)**
  - Reps from MSFC, KSC, JSC
  - Next meeting October 2019
- **Major meetings and events**
  - Bi-Monthly meetings
  - Two Off-sites a year (next offsite Nashville, TN)
  - Quarterly Joint Counseling Sessions (JCs)
  - Local Doing Business with NASA events
  - Marshall Small Business Alliance (MSBA) Meetings (Semi-Annual)
- **Industry events**
  - Small Business Forums (Local and Regional)
  - NASA Industry Days (SDVOSB, WOSB, HUBZone)
  - HBCU/MSI Technology Infusion Road Tours (next NMSU)

WORKING TOGETHER TO ACHIEVE JOINT  
STRATEGIES AND OBJECTIVES

# MPCSC Focus in 2019

- Continued support of MSFC & NASA Events
- Ensuring Value Added topics at meetings
- Sharing of best practices to strengthen our own Supplier Diversity Programs
- Develop method to easily communicate top performing SB suppliers
- Awareness of legislative updates to ensure compliance with laws and regulations and support customer
