# Primary Capabilities

- **PCIFS (Ecke)** is the Holding Company for a group of Tribal owned companies that supports a variety of services to Nasa and DoD Customers. These Companies includes:
- **PCI Aviation (7NV00)** which provide various Aircraft Engineering services for the US Army, Air Force and Navy along with mechanical and electrical manufacturing capabilities;
- **PCI Manufacturing (8MWA5)** is a very diverse manufacturing company with precision CNC Machine shop, Metal Fabrication and Carbon Composite Storage and cutting;
- **PCI Technology Services (8QVN1)** is a technology company delivering IT services from Enterprise IT to Cybersecurity to Data Analytics.

# Current and Recent Contracts/Performance ( < 5 years )

- **PCI Aviation (7NV00)** has great Past Performance providing various Aircraft Engineering services for the Air Force and Navy along with high quality manufactured mechanical/electrical assemblies.
- **PCI Manufacturing (8MWA5)** is a very diverse manufacturing company with Contracts as Prime to the DoD and Major Prime Contractor like Boeing, Lockheed Martin, BAE and GKN Aerospace.
- **PCI Technology Services (8QVN1)** is a technology company that has extensive experience and knowledge from Enterprise IT to Cybersecurity to Data Analytics.

# NASA Value - Quad Chart

## Problem(s):

- In today's work environment it is very difficult to find a company that is big enough to have all of the necessary infrastructure in place to provide a wide range of services from system development, design engineering, prototype manufacturing, supply chain management, and production with the high quality performance requirements necessary, but still be able to be truly agile and quick responsive like a small business.

## Company Solution:

- PCIFS has invested in great systems and people that can respond to requirements quickly.
- Can adjust to changing requirement as needed.
- Certified Quality Management System.
- Deltek Accounting Solutions
- Sound Financial Stability
- Decades of Top Performance
- Leveraged for Competitive Pricing

## Value:

- PCIFS and it's Team of Companies are looking for Partners and Teammates for the future. We are creating an enriched environment at PCIFS where the success of the customer is the ultimate goal and everyone must be working together on that mission.
- Our Value to is our commitment.

## Status of Solution

- PCIFS Companies deliver products and services to the Warfighter on a day basis from Aircraft Ground Support systems(AV-8), Automatic Electronic Test Systems (F-15), Aircraft Engineering (C130) (MC-130J), Aircraft Engine Test Cell Design and build (AV-8); Aircraft Composite Supply Chain Management and Cutting/Kitting (UH-60), Metal Machined and fabricated Parts (Boeing)

# Awards/Notable Accomplishments

- **PCI Federal Services Companies that received contract awards as Prime and as Subcontractor for over three and a half decades, in doing so we have won:**
- **The Nunn/Perry Award for best Mentor/ Protégé performance**
- **National Minority Manufacture of the Year**
- **Alabama 8a Graduate of the Year**
- **Recognized by the Tribal Community as Enterprise of the year**
- **Outstanding US Air Force CPARS**
- **Many others.**
