MSFC Joint Counseling Session – Tuesday, July 25, 2023
Virtual Meeting
9:30a.m. – 11:00 a.m. (CST)
-Agenda-

At this session, five small business service providers will be featured:

Company Name and Website	Location	Classification	Core Competencies
Ability Engineering Technology www.abilityengineering.com	South Holland, ILL	SB, SDB, HUBZone	Engineering & design, welding, machining, & waterjet, Mass Spec, pneumatic & hydro testing, ASME section VIII Div. 1 pressure vessels National board U, UM & R panel building & PLC Programming. Ability Engineering Technology, Inc.,
Additive Manufacturing & Engineering, Inc. addmaneng.com	Huntsville, AL	SB,SDB, HUBZone	Metal Additive Manufacturing (Inconel, Copper, Titanium, others), Production of parts of high geometrical complexity which cannot be produced by means of conventional manufacturing, Production of models and prototypes during a product's development phase, Parts for pilot series production in aerospace industries, short series production where tooling costs for casting or injection molding would be too high
Diverse Fabrication https://www.diversefab.com/	Loretto, TN	SB, HUBZone	Complete and comprehensive range of fabrication services including certified welding, manufacturing, and forming of carbon steels, stainless, aluminum, and other exotic metals. With competencies in job shop, production, and on-site millwright services, as well as wet and powder-based painting
Springs Fabrication springsfab.com	Colorado Springs, CO	SB	Processing, machining, welding, blast, paint, assembly. Large machining and large fabrication (up to 160,000 pounds). Operating under three quality systems including ISO, ASME, and NQA-1. NIST 800-171 Compliant.
ThermOptical Cooling thermopticalcooling.com	Silver Spring, MD	SB, SDB	Specializes in precision femtosecond laser surface machining (nanomachining) and customized laser workstations for thermal management purposes.

Meeting agenda as follows:

09:30 am Welcome/Introductions Nick Dugan, MPCSC Vice Chair

09:40 am Presentations & Questions

Ability Engineering Technology
Additive Manufacturing & Engineering, Inc.
Diverse Fabrication
Springs Fabrication
ThermOptical Cooling

10:40 am Questions

11:00 am Adjourn
