NASA Value - Quad Chart

WHY H2K?

As part of the GSI FoC, H2K employs a full suite of skilled, multi-disciplined staff in multiple offices across the Continental United States and the Pacific, allowing us to quickly assemble resources and personnel to provide seamless and comprehensive support at any location.

8(a) Benefit

Eligibility for 8(a) set-aside contracts AND sole-source direct award contracts without dollar limits

Enhanced credibility: 8(a) certification is a mark of quality and credibility. It shows that the business has met certain standards and is committed to success.

- Priority for government contracts
- Support the federal government's commitment to Native American self-determination
- Access to unique perspectives and expertise
- Ability to generate Joint Venture to allow NASA to capture the Talent they want

H2K is the Easy Button
