

The background of the slide is a deep space scene. It features a dark blue and black sky filled with numerous bright stars of varying colors, including blue, white, and yellow. A prominent blue nebula or star cluster is visible on the left side. On the right side, a large, reddish-brown planet, likely Mars, is partially visible, showing its characteristic surface features and atmosphere. The overall lighting is soft, highlighting the celestial bodies against the dark void of space.

Capabilities & Quality Systems

GSE Dynamics, Inc. is an engineering and manufacturing small business focused on the manufacture, assembly and testing of military mechanical and structural assemblies.

Complex Structural Assemblies

- Mechanical
 - Riveted & Close tolerance
- Welded Assemblies
- Bonded Assemblies

Machining

- Metallic / Forgings/ Castings
- Non-Metallic

Composite / Bonded Structures

Overhaul and Refurbishment

- Submarine Structures and Hydraulic Actuators.

- Highly experienced & responsive
- Skilled in complex digital modeling
- Reverse engineering for out of production parts and assemblies
- Concurrent engineering with customers
- CATIA, NX, Inventor, Mastercam
- Approved to Boeing DPD with MBD
- FSDA with Spirit at component level

- Certified to AS 9100D / ISO 9001:2015
- AQMS in accordance with AS9104
- Certified by Orion Registrar, Inc.
- State-of-the-art equipment and practices
