Primary Capabilities

Integrated Program Management

Our integrated program management solutions help ensure your processes run efficiently, resources stay on pace, and returns and margins are maximized across your project ecosystem.

Earned Value Management

We enable businesses to meet their EVM requirements with a roadmap to organizational readiness. Our customized EVM solutions enable data-backed decision making and contract compliance.

Training

Our range of premier end-to-end training solutions help solve your needs associated with Earned Value Management solutions (EVMS), Control Account Managers (CAM), and Integrated Baseline Review (IBR) prep.

Planning and Scheduling

We have real-world planning and scheduling experience with both small and large complex projects to keep them successfully controlled, tracked, monitored, and completed.

Project Controls

Our industry-leading experts gather and manage the data you need to productively forecast, understand, and impact program outcomes. Armed with extensive experience in Government Contracting and Commercial, we drive superior project performance.

Current and Recent Contracts/Performance (< 5 years)

- Ship Building

About Us

- Founded in 2011
- Focus on High Quality Deliverables, Value Offerings, & Honest Communication
- Specialized in Project Management, Earned Value Management, & Project Controls
- Intra Management Solutions (IMS) is a federally recognized Small Business
- DoE Q Cleared Facility
- DoD TS Cleared Facility

IMS partners with clients in a number of industries to help execute projects successfully. We employ the most advanced project management methodologies and tools, and we are committed to achieving only the highest levels of customer satisfaction. We are innovative and nimble thinkers with a passion for pulling off the impossible.

Here at IMS, we live and breathe projects, but our people are the lifeblood of our team. Our focus on our people goes beyond matching the best experts with a project—it's the core of our ethos and drives every move we make. It's central to how our team communicates and collaborates to make decisions together. It's the reason we constantly support our experts in the field and remain totally accessible to our clients. It's why we prize quality above quantity and aim for deliberate, purposeful growth. We are straight shooters who trust each other and are in it for the long haul.

A project with us isn't just a project—it's a partnership.
