SBELT

Vision

To inspire Small Businesses to play a vital role in NASA's mission, specifically to develop technologies, provide services and manufacturing in support of the Marshall Space Flight Center and NASA's mission

Mission

To represent, protect and grow the interests of Small Business in the Marshall Space Flight Center procurement process

Goals

Inform Small Businesses of Marshall Space Flight Center procurement opportunities and legislative changes

Develop strategies for Small Businesses to grow (foster Small Business specific capabilities)

Develop opportunities for Small Businesses to excel (e.g. training assistance from primes, short courses from SME, etc.)
